“from the heart of
THE GOLDEN TRIANGLE”

CAVALLI WINE

the Heart of the Golden Triangle.

Cavalli's Wine & Vineyard philosophy is to produce world class wines with a very local character and a strong identity so to be clearly recognized as from the Helderberg region.

The Helderberg region of Stellenbosch is nearest the ocean and lends the estate to the cooling influence of the Southerly winds. Our soils contain large amounts of "koffieklip" with a higher percentage of clay in the subsoil, affording the wines an innate elegance and expressive fruit characteristic.

Our focus falls on Chenin Blanc, Chardonnay, Verdelho, Cabernet Sauvignon, Shiraz, Malbec and Petit Verdot

THE TASTING TERRACE

An unforgettable experience

Take in a 180 degree panoramic view of vineyards, fynbos and the Helderberg mountains on the Cavalli Tasting terrace. Sip on our award winning wines while celebrating the wonderful terroir of the Golden Triangle.

Our friendly and knowledgeable staff are on hand to guide you through a tasting experience in true Cavalli style.

Join us between Wednesday and Sunday from 10am to 6pm.
